Miami-Dade County
SMART PROGRAM
DEMONSTRATION PROJECTS

OVERVIEW:

The **Strategic Miami Area Rapid Transit (SMART) Program** advances the implementation of six rapid transit corridors within Miami-Dade County. The **Miami-Dade Transportation Planning Organization (TPO)** developed the **SMART Program Demonstration Projects** to complement the SMART Program through partnerships with local transportation agencies and municipalities throughout the county. These demonstration projects focus on **improving first/last mile connectivity** to existing and future SMART Program Transit Stations, On-Demand Services and Enhanced Integration of Transit Services at county and municipal levels. This program includes a mixture of federal, state, and local funding.
