SMART Demonstration Program Projects

- ✓ A total of 37 projects funded in the past 4 years
- ✓ Include on-demand responsive services, fixed routes, and park and ride facilities
- ✓ On-demand responsive services provided by municipalities and the County are dynamically routed and connected to ride-sharing applications, allowing the community to book rides to transit hubs or nearby destinations

Program Process:

TPO's List of Program Priorities (LOPP): Requested applications & partner coordination, February 2022	Joint Workshop: County, Municipalities, April 2022	FDOT Grants Workshop: April 2022	State Coordination: Submit applications in TransCIP, May 2022	TPO's LOPP: Approved June 2022
---	--	--	---	--

Applications are reviewed, ranked, and coordinated through the TPO's LOPP
