Dear Ms. Bouclé:

On behalf of the Miami-Dade Metropolitan Planning Organization's (MPO) Citizens Transportation Advisory Committee (CTAC), please find enclosed Resolution #1-16 supporting the Miami-Dade MPO's Strategic Miami Area Rapid Transit (SMART) Plan.

This resolution supports the future of our transportation system, as the SMART Plan intends to advance six of the rapid transit corridors, along with a network system of bus enhanced rapid transit service, in order to implement mass transit projects in Miami-Dade County.

CTAC supports and appreciates the Miami-Dade MPO's dedication in pursuing a better transportation system for the citizens of Miami-Dade County. We look forward to being part of the MPO's transportation planning process by moving the SMART Plan forward.

Sincerely,

Alan B. Fishman
CTAC Chair
