Transportation Improvement Program

Project Description

Facility:

Concourse J

From:

Miami International Airport

To:

Type of Project: Type of Work:

Airport Improvement

Concourse Improvement Program

Status:

Remarks/Comments:

MPO Project No.:

AP100

Implementing

Agency:

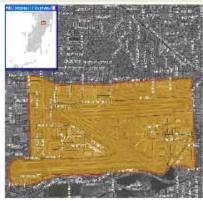

MD Aviation Dept.

Construction Year:

2004

Next Step:

Agency Project No.:

Project Description: This program constructs a new multifloor concourse w/ 15 gates to be used as either international or domestic passenger arrival gates. Also includes a gate control tower that will control gate assignments from Concourse F thru Concourse J. hardstand assignments & aircraft holding area...Will allow the next generation of aircraft that is being developed to park (Airbus A380).
